this ticket will receive the HERALD one year from the expiration of his subscription free of charge, and so on till all the prizes are drawn. The reader will

readily see that one ticket is as liable to be drawn from the wheel first as another, and all will bear in mind that wheel, and not ticket No. 1 or any particular number that draws the first prize. Ticket No. 1 or No. 500 may draw the gold watch, and they may draw nothing. No one, not even ourselves, can know anything about it un til the drawing has occurred. The result of each draw will be made known at moment it is made and a careful record of the lucky person kept. If he or she is present the goods will be delivered at the close of drawing; it not present we shall hold them subject to their order by mail or otherwise,

This, we believe, is a fair presentation of the whole matter, and we believe we have succeeded in making it so plain that all can understand it. Remember that the drawing will take place on the day set, that the full number and amount of prizes will be drawn as set forth above, and that every body will be treated fairly, whether present or not. We leave the matter with you.

Failures.

The affairs of life have their tides, their ebbs and flows, and to succeed man must know how to launch his boat and how to steer it. To make life and its affairs a triumph, he must add to his strength that great moral frenky. 12 00 "energy," and bend it in the proper direction by good judgment and discre-

Life has its opposing forces, and mind 12 00 forms the counterbalance to these elements, and it is the function of man to keep watch upon these agents and 12 00 study their defeats. It has been said that "where there is a will there is al-10 00 ways a way," but this is seldom true. Some have will who can't have a way : 10 00 some have a will who have not energy to no and judgment to succeed. Some would like to possess character if their friends 10 00 would give it to them and keep up the 10 00 repairs; some would like to be respectable, but to be respectable implies so too, that their little stock of energy gives down, and they sink into nothinguess. An inherited character is like 10 00 and inherited fortune, soon gone. Some have inherited health, strength, fame, 10 00 fortune and liberty, and had not the energy to retain either, or to sustain the dignity of the ancestors from whom

they came. 7 00 To this class of individuals mole-hills become mountains, and they shrink success may crown your efforts. from the task of removing them. Some fail because they have no aim in life 3 00 some because they do not aim high enough, and some because they aim too high. They are not conscious then of their ability, and make a random shot which lands them on the barren reefs

2 00 of adversity. Some fail for want of system : some 2 00 some fail for wall of systematic, out & Co., Louisville, Ky. 2 00 there is a happy medium, which, when attained, (either by accident or good judgment) is a great step toward tri-

A Governor's Testimony.

Sommons Liver Regulater has been in use in my family for some time, and I am satisfied it is a variable addition to the medical eclines.

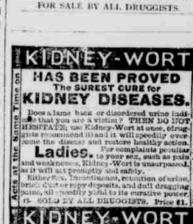

J. Gill. SHOWERS, Governor of Ala. Hon. Alexander H. Stephens, of Ga.,

forther trial.

"The only Thing that never falls to Relieve."—I have used many remodes for Dyspapsia, Laver Affection and Debuity, but never have found anything to benefit use to the extent Stumous Liver Regulater has. I sent from Minnesota to Georgia for it, and would send further for such a menticine, and sould advise all who are similarly affected to give it a trial as it seems the only thing that never fails to relieve.
